Estimated CO2e Savings	Estimated CO2e savings may be obtained or derived from studies/reports based on representative parts and/or vehicles. As a result, the CO2e savings achieved from the use of any particular part may differ somewhat from the estimated CO2e savings displayed and/or the savings reported in such studies. Unless otherwise noted, the estimated CO2e savings displayed are estimates based on reusing a recycled part as a substitute for using a new OE replacement part in a vehicle repair, and do not take into account the potential environmental impact of the manner in which such parts are packaged or transported to the buyer, or any potential return of such parts to the seller.
